

# Safe Kleen

REF: PDS - 2

**Safe Kleen was originally developed as a pre-treatment & after care cleaning product for applications of Safe Grip Anti Slip Treatment. But due to the unique combination of surface active agents, sequestrants and alkaline builders the product has excellent cleaning abilities for the removal of dirt, grease, oil & grime making it a truly versatile *multi purpose cleaner*.**

- ❖ **Effective at high dilution up to 1 to 200 parts water, hot or cold just 5 litres can make up to 1,000 litres of cleaning fluid**
- ❖ **Easily and gently removes road dirt and grime. Fantastic for washing cars, bikes, commercial vehicles, machinery & plant**
- ❖ **Does not contain ingredients which accelerate metal corrosion**
- ❖ **Safe on aluminium, metal surfaces, glass and rubber**
- ❖ **May be used on many types of soft fabrics**
- ❖ **Ideal for hot or cold pressure wash machines and wash/vac Systems**
- ❖ **Effective in hard and soft waters**
- ❖ **Contains rinse off additive**
- ❖ **100% Biodegradable**

#### **Typical application information:**

**Dilute in a bucket containing 8 to 10 litres of water as follows:-**

- **Light duty : 2 capfuls**
- **Medium duty : 3 capfuls**
- **Heavy duty : 4 capfuls**

**Dilutions can be adjusted to suit individual cleaning requirements**

**Can be used neat on oil and grease patches, allow to soak for 10 minutes; very stubborn stains may require more than one treatment**

**Rinse thoroughly after use and dry surface where appropriate**

***Caution : Do not use in hot direct sunlight or on hot surfaces***

**Safe Kleen Approval : Safe Kleen has been approved for listing on the US Government's Environmental Protection Agency's NCP Product Schedule**
